Weekly Vocabulary Test Words — Weeks 07-12

All test words for the weekly vocabulary tests come from three sources:

- standards vocabulary for the current standards being studied
- chapter notes and terms used during instruction, including handouts
- previous weekly vocabulary tests (review)

Vocabulary tests for the words from the narratives that are being read in class will be given with the selection test for each narrative.

Vocabulary List 07	Vocabulary List 08	Vocabulary List 09	Vocabulary List 10
confront	ability	**analogy**	accurate
era	appropriate	**dynamic**	articulate

Note for Teachers:

Lists 1-9 cover the academic (standards) vocabulary for the first three chapters of the textbook and the associated concept (instructional) vocabulary.

Note for Teachers:

List 10 adds the concept (instructional) vocabulary from Chapter 4 and the academic (standards) vocabulary for Chapters 4, 5, and part of 6.
