

Weekly Vocabulary Test Words — Weeks 01-06

All test words for the weekly vocabulary tests come from three sources:

- standards vocabulary for the current standards being studied
- chapter notes and terms used during instruction, including handouts
- previous weekly vocabulary tests (review)

Vocabulary tests for the words from the narratives that are being read in class will be given with the selection test for each narrative.

<u>Vocabulary List 01</u>	<u>Vocabulary List 02</u>	<u>Vocabulary List 03</u>	<u>Vocabulary List 04</u>
analyze	determine	context	analysis
common	development	anecdote	compare
conflict	figurative	antagonist	contrast
element	influence	climax	difference
evaluate	literal	complication	organization
historical	origin	exposition	scope
